To all members:

As a nonprofit volunteer organization we have been blessed and as a group of volunteers trained to assist in a disaster we have truly been blessed.

This year I would like all of us to ask ourselves if we are truly ready, is our community ready, is our CERT Team ready and make the changes so we can answer all the questions with a resounding "YES"

We can only dodge Mother Nature for so long.

As we go through 2012 as LowCountry CERT volunteers let us all reflect on our community and begin to give back to those in need.

I ask all members to bring non perishable food to our Annual Meeting to be donated to the LowCountry Food Bank in our name as a start.

I ask all members to get with your CERT Team, Elect Team Leaders, make a plan and go out and assist your community.

We have over 540 + members with LowCountry CERT and if we get together as one we can make a powerful difference in our Community and the Lowcountry.

Remember:

"This is your Year ""This is our year ""

Thanks for what you do.

Tom Crosby
