*To all members:*

*As a nonprofit volunteer organization we have been blessed and as a group of volunteers trained to assist in a disaster we have truly been blessed.*

*This year I would like all of us to ask ourselves if we are truly ready, is our community ready, is our CERT Team ready and make the changes so we can answer all the questions with a resounding "YES"*

*We can only dodge Mother Nature for so long.*

*As we go through 2014 as Lowcountry CERT volunteers let us all reflect on what CERT was designed to do and how we intertwine with our Neighbors and our community and begin to give assistance to those in need.*

*I ask all members to get with your CERT Team, Elect Team Leaders, make a plan and go out and assist your community.*

*Remember:*

***"This is your Year " "This is our year "***

***Thanks for what you do.***

***"2014 Is our year to shine"***

***Tom Crosby***

***Lowcountry CERT/ Board Chair***
